

November 22, 2022

Dear Patients,

It is with mixed emotions that I am announcing my retirement from practice as of December 31, 2022. After more than 38 years of pediatric practice, with 28 of those years at Commonwealth Pediatrics, my wife and I are eager to begin the next chapter of our lives.

It has been my distinct honor and privilege to care for your children and share in the joy of your families. I humbly say, "Thank you," for entrusting me with the care of your beloved family members.

My patients have been my teachers over these many years and I continue to learn from them each and every day. My life has been enriched immeasurably by the kindness and laughter and joy you have all brought me. I knew very early in my medical career that pediatric practice was my calling. I have never regretted that decision.

I am leaving you in the capable hands of my partners and colleagues listed below. I am confident that they will continue to provide you and your family with the same quality, personalized medical care as I have for so many years:

- Robin Feese, MD
- David Hawse, MD
- Elizabeth Hawse, MD
- Caitlyn Neltner, MD
- Toria Edge, MD
- Amanda Dressman, APRN

I wish each of you health, happiness, and a life of fulfilled hopes and dreams.

Fondly,

David W Storey, MD
